2005 IADC HSE&T Conference set for 8-9 Feb

Attendees to the 2005 IADC Health, Safety, Environment & Training Conference & Exhibition, set for 8-9 Feb in Houston, will take back useful information on HSE and training trends and initiatives that can be used to plan or enhance safety programs and goals. The conference will be held at the Omni Houston Hotel Westside.

Conference registration begins at 7:30 am. The conference begins at 8:30 with welcoming remarks by **Greg Detillier**, Chairman, IADC Health, Safety & Environment Committee, and Safety & Training Manager for **Grey Wolf Drilling**, and **Dado Matkins**, Chairman, IADC Training Committee, and Director, Corporate Training, for **Transocean**. **Ed Kautz**, 2005 IADC Chairman, and Executive Vice President, **Ensign Resource Service Group Inc**, will make the opening address.

The first session begins at 9am with *Front Line Supervisors: Trials and Tribulations/Best Practices*. Several front line supervisors representing

domestic and international onshore and offshore drilling contractors, will share their best practices with respect to HSE&T as well as individual company programs with regards to obstacles, success stories and corrective measures. Training in foreign countries with regards to regional cultural differences will also be discussed as will implementation of a safety culture.

At 11 am, **George Vahlis** with **Enterprise Development Network** will present his company's views and program on *Changing Behavior*. Following lunch, several presentations will examine leadership, substance abuse and alternative drug testing, plus a regulatory update with panelists from the **Minerals Management Service (MMS)**, **OSHA**, the **International Regulatory Forum** and the **US Coast Guard**.

A welcoming reception is that evening.

On 9 Feb, the conference begins at 8:30 am with *Rescue from Height:*

Suspension Trauma by **Mike Parker** with **Web Devices Fall Arrest Systems**. This will be followed at 9:00 with a presentation by **David Matthews** with **Grey Wolf Drilling** on *Safe Rig Moving Practices (Land)*. At 9:30, **Rick Hicks** with **Randy Smith Training Solutions** will present *Training Effectiveness*.

The next presentation at 11:00 will be *Outer Continental Shelf Jurisdictional Issues* by **Doug Hamel**, Partner, **Vinson & Elkins LLP**, followed by *Transportation Identification Credentials* by **Lolie Kull** at 11:30.

Following lunch will be a presentation on *Linking Operations Together with Distance Learning* by a representative of **University of Phoenix**. Closing out the conference and exhibition at 2:45 will be the much anticipated *Operator Panel: Operators' Expectations of Contractors*, with operator representatives including **Ed Ship**, **ExxonMobil**; **Will Pecue** and **John Jackson**, **ChevronTexaco**; and **Mike McKenna**, **Apache Corp**. ■
