FIELD SERVED

DC is the definitive source for the global drilling and completion industry, both land and offshore, and the only viable magazine exclusively covering this space. DC’s enhanced editorial employs QR codes to help readers find related multimedia and other resources. The official magazine of the International Association of Drilling Contractors, DC has been published since 1944 and is the longest continuously published magazine focusing on drilling and completion (D&C).

DC’s editorial is 100 percent drilling and completion focused – technology, markets, HSEQ, trends, and other critical issues impacting D&C. DC is the only petroleum-industry magazine to cover HSE, training, or competency in every issue. DC is also the only magazine covering completions in every issue. And of course, every issue features drilling technology and technical trends.

CIRCULATION

DC’s 31,876 readers are professionals in the oil-and-gas and geothermal drilling and completion industry. It includes senior management at exploration & production and drilling contractor companies.
